From all portions of the county came mothers and fathers, sisters and brothers to bid farewell to their loved ones before entraining for the north. WYOMING ROMANCE ENDS IN MARRIAGE HERE YESTERDAY

A pretty romance that began nearly a year ago away back in Cheyenne, Wyoming, culminated in a happy marriage in Redwood City yesterday when Father J. J. Sullivan united in the holy bonds Corporal Ben Gerrillo of Battery E, 83rd Artillery, Camp Fremont and Miss Anna Doody of Cheyenne. The pretty and charming bride came all the long distance from her mountain home unaccompanied to marry the handsome soldier and arrived here yesterday. The Corporal was at Cheyenne with his battery nearly a year ago when he met the young woman who was to be his wife. The couple will reside in this city.

RAILROAD COMMISSION RULING CONCERNING AUTO STAGES

The railroad commission has ordered that within four months all public automobile stages shall either own their equipment or lease it for a specified amount on a trip or term basis, the leasing of equipment not to include the services of a driver or operator. All employment of drivers or operators of leased cars shall be on the basis of a contract by which the driver or operator shall bear the relation of employe to the transportation company engaging him.

Filipino Trial Set

John Creisestomo, the Filipino who killed a countryman named John Alego, on the B. D. Weeks ranch at La Honda on March 10th of this year, will be tried for the crime in the superior court on May 13th. Judge Buck set the date of the trial on Thursday after the defendant had pleaded not guilty. Albert Mansfield has been retained to defend Creisostomo.

Suit to Foreclose Mortgage

The San Mateo Mutual Building and Loan Association has commenced an action in the superior court against R. W. Raymond and his wife to foreclose a mortgage on certain property in San Mateo Park to recover the sum of $2500. Plaintiff also asks for interest, costs of suit and attorney fees in the sum of $250. Kirkbride and Gordon are the attorneys for plaintiff.

Joseph Roza did not go with the San Mateo contingent for American Lake yesterday. At the last mement he was ordered to remain for two weeks owing to some physical disability.

FUEL ADMINISTRATION TRYING TO PREVENT COAL SHORTAGE

The National Fuel Administration is doing a good work now to forestall a repetition of the serious fuel problem which tied up all industries of the east in the worst part of last winter. This is in the line of urging people to lay in their next winter's supply of coal during the summer months. By doing this several good purposes will be accomplished. First, the miners will be kept busy at a time when they would otherwise be idle. Second, the strain on transportation facilities in the winter time made greater by the rush of fuel orders would be greatly relieved by summer delivery. Third, the price of coal in summer is lower than in winter and a saving would be effected.

There is another good reason vitally affecting points in California. Under the zoning system now in vogue the mines of New Mexico, Colorado, Wyoming, from which this state is largely supplied with coal, will have to sell also to an increased territory in the middle west. This will make it more difficult than ever for us to get coal in the winter time. The shortage of ships will prevent our getting any coal from Alaska or Australia.

Here is a case where the government urges a policy of hoarding to the extent of buying next winter's supply this summer. Blanks will be distributed to every householder upon which they are requested to estimate their annual requirements of coal. All who can possibly afford to do so are urged to forefend the coming winter shortage by making this provision in advance.

BIG GUNS ROAR IN MENLO PARK HILLS

For the first time in many years the whole peninsula from the southern limits of San Francisco to San Jose resounded Thursday with the heavy detonations of big-caliber guns caused by the belching of artillery get range some miles to the southwest of Menlo Park.

From 9 o'clock in the morning until late in the afternoon battery E, 81st field artillery, and battery D, 83rd field artillery, engaged an imaginary foe across the green swales and oak-covered hills in the neighborhood—to be precise—of the Drexel orphanage on the Menlo Park mountain highway, which winds by way of Portola into Santa Cruz.

The sight in these days of war was a most inspiring one to the civilians in the fact that heal shells were used and that in the bursting of these there could be pictured in a miniature way the destruction that is being wrought on the battle-whipped plains of Picardy and in those sectors where the gallant Liberty Boys are so courageously holding their own.

Words cannot explain adequately the picture of pastoral serenity, the deafening roar of the three-inch American type of gun, the wild howl of the projectile, the far-off explosion and its accompanying geyser of dirt and debris rising into the air

ARE YOU READY TO LAY DOWN YOUR LIFE FOR YOUR COUNTRY

"Are you ready to lay down your life for your country? asked a pious person of a drafted man at Camp Lewis, acording to William Slavens McNutt in Collier's."

"No, but I'm anxious to make some German lay down his life for his country" was the instant and indigant reply.

This is the spirit of the cantonments where the "Yank" millions are undergoing gruelling training for the more gruelling life in and behind the trenches "over there."

But many of them will not come back, and their deaths will be valiant and cheerful ones.

Those who return will have survived months of living under the most elemental conditions, months marked by nonchalant acceptance of conditions which no person outside a penal institution would have thought of accepting before his country called.

None of us whose place has been adjudged at home instead of in the battle line can make the ultimate sacrifice that youth is called upon for in war.

None of those at home are expected to live quite up to the Spartan standard of the soldier in the field.

But will YOUR conscience soothe you if you have sacrificed no luxuries or pleasures for the strengthening of the nations preparations through the Third Liberty Loan?

It is not enough to invest surplus capital in a profitable bond. The nation's need demands that luxuries and extravagances be curbed, that bullets, guns and ships may back the allied in plenty.

Power Company Changes Clerks

Miss Edna Hentz has succeeded Miss Gertrude Campbell as office clerk of the Halfmoon Bay branch of the Great Western Power Company.

MANY CANDIDATES ENTER RACE FOR POLITICAL PLUM

State and county politics are beginning to assume a tangible form, in other words the proverbial political pot is beginning to simmer and politicians are starting to make their announcements.

July 18th is the last day on which nomination papers may be filed, long before that time, however, candidates for the various offices will have attended to that important duty.

The candidates for gevernor are a little shy in tossing their hats in the ring but before long there are likely to be a number of aspirants for that all important office. Governor Stephens will be a candidate on the bone dry platform and will seek the Republican nomination. Though a Progressive, he will try for the old party nomination. E. O. Hayes of San Jose, also a republican, will run on a partly dry platform. He endorses the Rominger bill but is opposed to the federal amendment making the United States bone dry. He wants the saloons closed. Mr. Hayes will have a big following in the campaign. Mr. Woolwine and Francis J. Heney are seeking the democratic nomination. They are to fight like a pair of Killkinney cats for it. Should Heney secure the coveted prize he will make a great race for the office. It is believed by the friends of Mayor James Rolph that he will yet get into the scrap for the republican nomination. Should he do so there is but little doubt but that he will sweep all before him. He seems to be the people's choice. All want him. Before the campaign is much older the popular mayor of San Francisco may decide to shy his castor in the ring. F. W. Richardson may also come into the contest. He also has a large following.

Congressman E. A. Hayes will no doubt seek reelection although he has as yet made no definite announcement. He will be opposed by Senator Johnson of Montara who has alread opened an active campaign and is visiting various portions of the district and everywhere is receiving splendid encouragement.

The assembly contests in San Mateo county this year promises to be a lively one. F. A. Reynolds, the Redwood City attorney, has come out as a candidate and endorses the Rominger bill. He will conduct his campaign on that platform. Frank L. Eksward, the incumbent will also be a candidate for the place. He will most likely espouse the cause of the "wets" and stand on that issue for reelection. He has made a very good assemblyman and has many friends in the county.

The assessor's office this year will be the bone of contention between contending cohorts. Assessor D. P. Flynn will seek the office which he has held for the past three years by appointment. He has made a very good record and hopes to win by that record. He certainly has made an efficient official. He will be opposed by H. C. Tuchsen, who has been a member of the town council of Redwood City for the past four years and recently refused to become a candidate for reelection. Mr. Tuchsen is a man of wide experience being well versed in the real estate values of the county. For some time he has been the county inheritance tax appraiser. If elected he would make an efficient and capable assessor.

The big contest of the campaign will be for the district attorneyship. Both candidates for the office are extremely popular. They are Joseph J. Bullock, who formerly held the office for a period of twelve years, and the incumbent, Franklin Swart. This contest will be a battle royal. Srtong forces will be lined up on both sides to wedge their way to victory. Both men are preparing their armor to make a thorough campaign. No voter will be left unseen. This contest will be the liveliest of the approaching campaign.

Thus far no one has come forward to oppose Joseph H. Nash for the county clerk's office. However it is believed he will likely have one as his enemies are busily beating the bushes to arouse opposition.

Superintendent of Schools, Roy W. Cloud, will be unopposed for reelection. No one seems to be anxious to measure swords with him. He has a splendid record and it would be impossible for any candidate to defeat him.

Auditor John Shields appears to have the road clear without opposition. But whispers from Easton that a candidate is being groomed for the office there. However this is only speculation.

James V. Neuman, the popular county surveyor, is to have everything his own way. He will not be opposed for reelection. Mr. Neuman is popular and efficient and has made a good official.

Tax Collector A. McSweeney is another lucky individual. He will not be opposed. No one has thus far appeared willing to meet him in the political arena. He is capable and the taxpayers know this and want him to keep the office.

The sheriff's office will be sought after by a few candidates. The incumbent M. Sheehan will seek reelection. He has held the office four years and has made an enviable record. Don L. Funge of Colma will be a candidate. He is popular in the north end of the county and is well known on the coastside. He will shortly begin his campaign. It was said some weeks ago that Ex-Supervisor J. T. Casey has aspirations for the office. Should he enter the contest there will be a pretty three-cornered fight for the office.

The office of County Recorder is one of the most attractive in the county and many will flirt with it. Will Barg, the incumbent, will make a fight to retain it. He is popular, good looking and no doubt will get his share of the votes of the fair sex. He is efficient and trustworthy. Robert J. Letts is also seeking the place. Mr. Letts is accounted one of the best campaigners in the county and will leave no stone unturned to capture the political prize. He is capable and if elected would fill the office creditably. It was thought some time ago that James Eubanks, th county superintendent of the county hospital and farm would enter the race, but his salary being raised recently by the board of supervisors he has partly decided to remain where he is. He figures that a bird in the hand is worth two in the bush.. J. E. Cowgill, station agent at San Carlos also thought of entering the contest but he too has decided to remain where he is. Others may yet come into the "scrap."

P. P. Chamberlain, who has been treasurer of San Mateo county for over thirty years, will again be a candidate. He is too well known to the people of the county to be lauded or praised for his many qualifications. Mr Chamberlain is the "watch dog of the treasury" and the taxpayers are are anxious that he should continue to watch the county's strong box. He will be opposed by Fred Lippman, his old-time antagonist, who has sought the office on several occasions before. Mr. Lippman is a native of the peninsula and for the past thirty years has been a resident of San Carlos. He will make an active canvass of the voters.

While the emoluments of the offices of Coroner and Public Administrator are not very large there will be a keen contest for the offices, which are combined. Dr. W. A. Brooke, who holds the position by appointment of the board of supervisors, will make a determined effort to retain it. He has made an efficient official. He will have as his opponent Weller Stead, the undertaker of Burlingame. Stead is a live wire and expects to make a thorough canvass of the voters.

Supervisor W. H. Brown of the Second township will be a candidate for reelection this year. He has held the place for the past eight years and has made good. He will be opposed by M. J. Conway, chairman of the democratic county committee. Mr. Conway is popular at San Mateo and will put up a stiff fight. Dr. Thompson will also run this year for supervisor of the Fourth township. Thus far no one has been mentioned to oppose him. However there is plenty of time for one candidate to crop up.

Martin Walsh, the popular constable of the Third township, will have a free field. No one has thrown down the gauntlet and so this guardian of the peace will be reelected without opposition.

There will be quite a rivalry for the office of justice of the peace of the Third township. Judge George Seely has held the office for the past four years during which he has made a commendable record, one that he may well feel proud of. He will seek to be elected on his splendid record. Ray Griffin, the notary public, will oppose him. He is a young man of fine qualifications fully capable of filling the office. Mr. Griffin promises to make a house to house canvass for the coveted judgship. C. E. Wilent, the assistant station agent here, is also a candidate. He is studying law and it is his ambition to become a disciple of Blackstone. Mr. Wilent is an ecellent young man who would wear the ermine with credit to himself and the people.

Take it all in all the approaching campaign promises to be the liveliest ever held in San Mateo county. Almost every office will be hotly contested for. May the best man win.

MISS MARIE BRITSCHZI UNITED IN MARRIAGE TO E. V. ADAMS

Miss Marie A. Britschzi, daughter of Mr. and Mrs. John Britschzi of 526 Hamilton street, was united in marriage to Mr. E. V. Adams of Tacoma, Wash., in San Jose last Saturday.

The wedding took place at St. Joseph's Catholic Church. Mr. Warner Britschzi, brother of the bride, acted as best man, while the bride was attended by Mrs. T. Barba as bridesmaid.

Mrs. Adams has been a resident of Redwood City but a short time, havmoved here with her parents from Santa Cruz. During that time, however, she has made many friends owing to her charming personality.

The groom has enlisted in the navy and will report for duty within a week, during which time he will comfortably locate with his bride at Santa Cruz, where they will make their home.

Bertha Purdy Seeks Divorce

Bertha Purdy has commenced an action in the superior court against her husband, Edmund Purdy for an interlocutory decree of divorce on the ground of extremely cruelty. The Purdys were married in San Mateo county on August 15, 1915. According to Mrs. Purdy's camplaint, defendant has $1000 in the Hibernia bank and receives a salary of $150 a month. She asks for the sum of $300 for attorney fees and costs. Mrs. Purdy asks that Purdy be restrained from drawing the money from the bank.

DR. GEO. P. HALL LEAVES FOR "OVER THERE" SOON

Dr. George P. Hall, who has been stationed in New Mexico for some time, expects soon to leave for France. Before enlisting in the medical department of the army the doctor was a practicing physician at Sunnyvale having a big practice. His family still reside there. The doctor is a graduate of the Sequoia Union High school and is the only son of George W. Hall, superintendent of the San Mateo school repartment.

The postoffice was closed yesterday afternoon to observe Liberty Loan Day. The court house did not close.

THIRD SON OF REDWOOD CITY FAMILY LEAVES FOR NORTH

James O'Sullivan, who departed yesterday for American Lake, is the third son of Mrs. Mary Grace O'Sullivan in the service. Sergeant George O'Sullivan is located at San Antonio, Texas, Eugene O'Sullivan is at Camp Lewis and will meet his brother at the depot when he arrives at the camp tomorrow.

Suit to Quiet Title

Katie Foley has brought an action in the superior court against D. Freidenrich and others to quiet title to lots 9 and 10, block 11, Spanishtown.

LIEUT. GEORGE W. HALL LEAVES FOR FORT MONROE

Lieutenant George W. Hall, son of H. C. Hall of Corte Madera, made a flying trip to Half Moon Bay last Tuesday to say good-bye to his brother, Prof. Henry C. Hall, Jr., and family ere his departure to Fortress Monroe, Virginia, to which place he has been summoned to attend a course of military instruction in the U. S. Officers' College. This call seems to indicate an approval of his past service in the heavy coast artillery and a confidence in his ability to prepare for higher military service. He has resolved to accept the call and to do his best to succeed, to deserve the honor, the War Department of his country has placed before him.

HALL ASSOCIATION FILES ARTICLES OF INCORPORATION

The Crocker Masonic Hall Association has filed articles of incorporation in the county clerk's office. The association incorporated with a capital stock of $15,000 divided into 600 shares at a par value of $25 each. The principal place of business of the association is at Daly City. The actual amount of stock subscribed is $1100 by the following stockholders: R. F. Chilcott, four shares, $100; Thomas Madgwick, four shares $100; W. A. Jacques, eight shares, $200; John Robertson, four shares, $100; George Watson, sixteen shares, $400; A. McKewon, four shares, $100; A. L. Stockton, four shares, $100.

PATRICK KELLY DISMISSED; FAILURE TO STATE CAUSE

Patrick Kelly, charged with violating section 17 of the California Vehicle act at Belmont on December 10, 1917, was acquitted of the crime in the superior court by Judge Buck on Thursday. After the alleged commission of the crime Mr. Kelly appeared before Judge Porter E. Lamb of Burlingame and was sentenced to serve 30 days in the county jail. Kelly appealed the case to the superior court. In dismissing the case the court made the following order:

"The District Attorney declining to appear in this matter and the case being submitted and on motion of Albert Mansfield, attorney for defendant, Patrick Kelly, it is ordered that judgment be and is hereby entered for defendant on the ground that the complaint fails to state a cause of action."

Peterson Suit Dismissed

The civil suit of P. L. Peterson of Colma against M. C. Callan also of Colma was dismissed in the superior court yesterday. The notice of dismissal was filed in the county clerk's office yesterday morning.

GEORGE BOTSCH, FIVE POINTS CATERER, ENTERTAINS

George Botsch, the well-known entertainer and caterer, gave a farewell reception last Wednesday evening to the drafted men who departed for Camp Lewis yesterday. Mr. Botsch was assisted in entertaining and receiving the guests by Frank Maloney. Mr. Botsch's home at Five Points was the scene of merriment until after midnight when the guests departed avowing that they had the most pleasant time of their lives. Over 150 persons were present to enjoy the barbecue prepared by that prince of barbecuers, Shano Felix. Mr. Botsch, as usual, proved his ability as a host by making it pleasant for the big crowd. Many of the county officials were in attendance, together with a number of out of town guests. The occasion will long be remembered by all present and the men who went north yesterday to begin training for the capture of the kaiser's scalp will cherish sweet memories of the event in their northern cantonment.

SAN MATEO COUNTY WILL RECOGNIZE ALL LENSES

The traffic officers of San Mateo county will recognize any lens on the market. Drivers who have equipped their cars with lenses, no matter of what make, will not be charged with violations of the glaring-light law, according to Traffic Officer James Logan. He said:

"There has been a persistent rumor to the effect that a certain make of lens was being boosted down here. There is absolutely no foundation for such a statement. Every traffic officer in San Mateo county will recognize any lens on the market, and we don't care what it is.

We realize that there are lenses that do not comply with the legal requirements, but we refuse to discriminate, and the next best thing is to recognize them all.

" A chalk line drawn across the front of a lamp doesn't make it a lens any more than a piece of buttered paper does. Autoists who want to avoid arrest can do so hereafter by getting a lens—any lens."

Petitions for Letters of Guardianship

Steve Kmetovich, through his attorneys, Ross and Ross, has applied in the superior court for letters of guardianship upon the person and estate of Frank Marzdin, who is confined at the State Hospital at Agnews. The estate consists of cash in bank amounting to $1000 and a Ford automobile valued at $250.

BANK DEPOSITS ON INCREASE

The opening of the Third Liberty Loan finds the national banks of the country splendidly prepared to play a big part in making this Loan a success.

The subscriptions which were sent in by the national banks of the country to the First and Second Liberty Loans for themselves and for their customers aggregated the vast sum of $4,175,000,000; and there were allotted to the national banks on the subscriptions thus sent in by them a total of $3,090,000,000 of bonds of the First and Second Liberty issues. These huge subscriptions were practically paid in full many weeks ago.

On March 5, 1917, the total deposits of the national banks of the country amounted to $12,957,000,000. Since that date the Secretary of the Treasury has sold and collected for $5,808,000,000 of Liberty Bonds, of which sum nearly three-fifths were taken by the national banks of the country and their customers.

And yet after making settlements for these huge investments the reports of the national banks for March 4, 1918, show that their deposits were not only not diminished on account of withdrawals to pay for Liberty Bonds, but the national banks show in the period from March 5, 1917, to March 4, 1918, an actual increase in deposits of $1,480,589,000.

The total resources of the national banks between March 5, 1917, and March 4, 1918, increased $2,035,789,000, and amounted on the latter date to $18,014,911,000.

The deposits of the national banks on March 4, 1918, show very little change as compared with December 31, 1917, there being a total reduction of $6,920,000 in deposits; but loans and discounts in the same period show a reduction of $251,611,000.

The national banks were never in a better position to assist in the placing of a great Government loan than they are at this time. Their total resources are now about $2,000,000,000 in excess of what they were when the First Liberty Loan was offered in the summer of 1917; and the records show that the great bulk of Liberty Bonds which these banks placed have passed on to permanent investors and to customers who have been able to pay for their bonds and carry them without finding it necessary to borrow money upon them.

Notice of Proposed Formation of San Carlos Highway Lighting District of San Mateo County.

NOTICE is hereby given by the undersigned County Clerk of the County of San Mateo and ex-officio Clerk of the Board of Supervisors thereof, that on the 15th day of April, 1918, a petition signed by more than twenty-five taxpayers and residents of the town or village of San Carlos situate in the said County, was filed with the Clerk of the said Board and duly presented to said Board at its regular meeting held on Monday the 15th day of April, 1918, praying for the formation of a public highway lighting district in said County.

That the exterior boundaries of the said proposed lighting district as described in said petition are the following, to-wit:

Commencing at the point of intersection of the Northeasterly line of Maple Street, as said street is shown on that certain map entitled, "Amended Map of the Town of San Carlos", filed in the office of the County Recorder of the County of San Mateo, State of California on October 7, 1912 in Volume 8 of Maps at pages 25 and 26, with the Southeasterly line of the property of Asa E. Hull; thence running Southwesterly along said line of the property of Asa E. YOUR WAR GARDEN

must do its bit this year in a big way. Because the Allies, and our boys "over there," need the production from the big farms—need all that we can send them. Your war garden must be planted so that there will be no guess work about results. It must be planted economically and efficiently. It must be a better garden than ever before.

Pakro Seedtape will help you to have a better, a more efficient garden. It is the scientific way of planting. The seeds are evenly and accurately spaced in a thin paper tape. And a whole row is planted at a time, resulting in straight rows of evenly spaced plants. Thinning out is practically eliminated.

Pakro loose seeds are the same *Quality Seeds* that are in the tape. These seeds are thoroughly tested and selected from the very best stock. A Pakro Garden, either Pakro Seedtape or Pakro Loose Seeds, is a successful garden. Your dealer has over 115 varieties of Pakro Seedtape and Seeds. Order your seeds to-day.

This Home Garden Book is written by Mr. E. L. D Seymour, associate editor of the "Garden Magazine" and "Country Life in America." It is bound in board, 48 pages, and profusely illustrated in color. It is a text-book of the garden. It tells in simple terms how to plan your garden and how and when to plant. Write to-day to the American Seedtape Company, 365 Ogden Street, Newark, New Jersey for a copy of this book. Price 50 cents, stamps or money order.

COL. WEINSTOCK ADDRESSED FORUM MEETING LAST SUNDAY

The address of Colonel Weinstock at the forum meeting, Sunday evening, was full of practical interest. Some of his main points are the following: Next to a musket, in the present war, is the service of creating a proper market. If America is beaten, it will not be because of men. For we have more fit men than any army of the world ever had. We will fail because of food stuff. Many men are being withdrawn from the farm. The California Market Commission was created for the purpose of stimulating farm products. The farming pouulation has fallen off from 70 per cent in 1880 to about 40 per cent at the present time. In order to keep men on the farm, we must make farming profitable. The farmer must wipe out waste in production and in distribution. Also speculation must be wiped out. A few years ago honey producers sold for 6 cents a pound while the consumer paid 14 cents for it. A few years ago the Market Director made a survey of marketing in New York City. He found California dry peaches selling for 17 cents a pound, while the producer had received only 2½ cents for his crop which had cost him 5 cents to produce. There was a waste of 85 per cent. Associations were formed for the producer. Then the peaches brought the farmer 6 and 7 cents a pound. There was a saving to the consumer also. In New York the consumer was able to buy his peaches for 15½ cents where he had to pay 17 cents. Raisin industry is another illustration of what the Market Commission has done. A few years ago 40,000 tons glutted the market, and the producer got only 1¼ cents a pound, sometimes when they cost him 2½ cents. Thus he grew poorer. Last year 160,000 tons were raised and sold for 3¼ cents as a guarantee, while there was an accumulation of 1½ million dollars to be distributed among the growers. Oranges is another example of increased production with higher prices to the producer. A year ago 150,000 car loads were raised, while the year before there were only 5,000 with 10 per cent as the cost of selling. By means of association in handling the crop the cost of selling the 150,000 tons was cut down to 1½ per cent. By a survey of European countries, it was found that we were far behind in the matter of farm yield and the marketing of the crop. Now there is a Bureau of Marketing in Washington, doing for all the states what the Commission on Marketing is doing for California. We are making California the best organized state in the Union.

The Heise grocery store will make two deliveries a day, one at ten o'clock in the morning and the other at 3 o'clock in the afternoon to its customers.

Frank Herm, formerly mail carrier, has enlisted in the navy and will probably be assigned to duty today. He will be sent to the naval training station at San Diego.

Ross and Blackman, the Stambaugh street junk dealers, ran their auto off the grade near Pescadero on Monday last and badly damaged the machine. The damage is estimated at $100.

Miss Murial Sharkey, the brilliant and accomplished young daughter of Senator Sharkey of Martinez, has returned to her home after spending a pleasant two weeks with her aunt, Mrs. F. D. King of this city.

Mr. and Mrs. Willard Coburn have departed for their home in San Diego after a brief visit with Mrs. Coburn's parents, Mr. and Mrs. Carl Muller of this city. Mr. Coburn is engaged in the foundry with his father at the southern city.

Walter Murphy was here from Los Angeles yesterday on a brief visit to his uncle, James Callaghan. The young man is about to enlist in the army and his visit here was to say good-bye to his uncle before departing for the front.

The Merchants' Cooperative Delivery that has been in existence for the past year was discontinued this week owing to the scarcity of drivers. Many of the young men have gone to the war and it was almost impossible to secure competent drivers, then too there was some dissatisfaction among a few of the merchants. Tradesmen will now make their own deliveries.

David M. Flynn, the local agent for the Ford automobile, this week sold a touring car to Selah Chamberlain on the Woodside road and a runabout to the Redwood City Junk Company. Mr. Flynn has a number of touring cars, sedans and runabouts on hand. Intending purchasers should confer with the agent at once as there will soon be a scarcity of cars and then, too, the price is likely to soar.

Miss Sophie Nobs, the popular teacher, was tendered a reception by O. M. Carrington at his attractive home on El Camino Real last Saturday evening in honor of the anniversary of the young lady's birth. Tables were set for twelve guests, a few of whom were from out of town. The evening was pleasantly spent, the young lady receiving many well wishes from her numerous friends.

Edward Leland Beck, a driver for the Crystal Laundry in this city for a long time, was united in marriage to May G. Hansen, daughter of Captain Hansen of Redwood City, in San Francisco last Wednesday. Beck left with the San Mateo county contingent for Camp Lewis yesterday. Mrs. Beck will reside with her parents in this city. Later she may take up her residence in Washington, near the cantonment.

Beginning tonight, the dances in the Foresters hall on each Saturday night, will be managed by local people, thus assuring the public of a clean, wholesome dance where responsibility for the conduct of the dance will rest on responsible parties. If the size of the crowd present warrants it, the dance will not close until 1 p. m., as there are many peo- whose business keeps them late and who cannot attend the dances until a late hour on Saturday nights.

J. Lindsay Wilson was here from Camp Lewis this week visiting his parents. The young man expects to leave soon for France.

Mrs. R. E. Dulac of San Francisco, but formerly a resident of Redwood City, has purchased Mrs. Frank King's property on Phelps street, at one time owned by Mrs. Frank Granger. The sum of $3,250 was paid for the realty.

Mrs. Katherine Wilson of San Francisco visited Mr. and Mrs. J. C. Barg last Tuesday. Mrs. Wilson escorted Mr Barg from New York in 1866 making the trip by steamer via Panama. It was their first meeting in many years.

The Redwood City War Savings Committee will meet in the chambers of the supervisors next Tuesday evening at 8 o'clock. All members of the committee are requested to be present as important business will come before the meeting.

Mr. and Mrs. Will Fritz, of Waverley, Iowa, left yesterday for the east having spent two weeks with Professor and Mrs. Monteith. The latter and a daughter of Mrs. Fritz attended college together at Grinnell College and were chums.

Mrs. W. H. Kinne, who was appointed matron of the new detention home by the supervisors recently, has declined the offer, preferring her present position as matron of the county jail. At the next meeting of the board a new appointment will be made.

Bruno Bendorff, proprietor of the Byrnes store near Spring Valley lakes, was in this city Tuesday and reports business good in his locality. No shooting is allowed there and one of the pleasing sights visitors see is large herds of deer feeding on the green hillsides within a short distance of Mr. Berndorff's store.

The special sale of aluminum ware going on all week at Hull Brothers has been very successful. The sale will close this evening. Those who have not already made their purchase of this beautiful ware should do so today. Remember you receive a handsome set for $9.85 which is sold elsewhere for $12.50.

The Red Cross drive in Redwood City will take place on the latter part of May. A. D. Walsh, the chairman of the drive and captain of this division, has appointed the avrious committees to take charge of the campaign. Everything is being put in readiness for the big drive. Redwood City's quotá to the fund is $9,150.

Because government inspectors declare that certain Palo Alto meat markets have not complied with the law requiring them to carry only meat and meat products inspected by the bureau of animal industry, the Elite meat market, Independent market and the Palo Alto market have been prohibited from delivering meats of any kind within the boundaries of Camp Fremont.

Edward McAuliffe, young son of Mr. and Mrs. Joseph McAuliffe, of this city, has enlicted in the U. S. Naval Reserve and is awaiting orders to be assigned to duty. He makes the third son of the McAuliffe family in the service. One is at the front in France with an engineer corps and Eugene, the oldest son, is an officer at a training camp in one of the southern states. MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Dr. Whitewolf is here after a sojourn of some months in Santa Clara county. The doctor has many friends here who are pleased to see him on our streets again.

Over 500 soldiers arrive during the week from Camp Lewis. They will remain in the casualty camp for ten days before being assigned to their respective regiments.

The new and up-to-date tonsorial parlors opposite the postoffice on Santa Cruz avenue is doing a rushing business. The proprietors are experts in their line and know how to cater to the public.

Charles Holbrook moved down from the city yesterday for the summer. Mr. Holbrook has an attractive home and no place does he enjoy life more than 'neath the wide spreading trees of his country estate.

E. S. Heller and family opened their beautiful home at Atherton this week. Mr. Heller is one of the forenost attorneys of San Francisco. He is the lawyer for the Union Trust Company, one of the largest corporations in the west.

The dance in the Hall of the Nativity Wednesday evening was largely attended, in fact it was the most enjoyable dance of the season. These socials are very popular events among the dance goers at Camp Fremont and are well patronized.

Miss Catherine Nash has returned to her home from the Peninsula hospital, Palo Alto, where she underwent an operation for appendicitis three weeks ago. She contemplated leaving shortly for Martinez to spend some time with her sister, Mrs. Howard Crane.

Charles E. Weeks has given three acres of land near the old Crow place for a school site for the new building. It is given the Ravenswood district free. An election for bonds to the amount of $20,000 will be soon voted for to secure funds for the erection of the building.

Thomas Sexton and Joseph Kelly left yesterday with the San Mateo contingent for Camp Lewis. Both young men have left good positions in San Francisco to join the colors. Mr. Sexton's brother, Vincent, has been in France with a corps of railroad engineers for some months.

Eddie Hanlon, the famous lightweight boxer, has been assigned as divisional boxing instructor, according to a telegram received by Athletic Director Maloney yesterday from Dr. Joseph E. Raycroft, head of the war department's commission on training activities, in Washington, D. C.

John O'Brien has been appointed one of the secretaries of the Knights of Columbus building at Camp Fremont. Mr. O'Brien is peculiarly fitted for the position owing to his intellectual attainments, gentlemanly bearing and pleasing manner. He began his duties this week and is very enthusiastic over the work.

August McCullough was here the fore part of the week bidding farewell to his many friends before enlisting in the navy. He left on Wednesday for the naval training station at San Pedro. His brother, Ignatius departed yesterday for the same place. Both young men grew to manhood here and are the sons of Mrs. A. McCullough.

A petition is being circulated for 25 signatures to be presented to the board of supervisors for additional lights for the town of Menlo Park. It is proposed to add a few more lamps and to enlarge the candlepower of those in the town proper. The additional expense will be slight and the village will then be properly lighted. It is needed and no one will object to it who has the right public spirit.

The Twelfth Infantry band will play at the home of Mr. and Mrs. Edward L. Eyre of Atherton Sunday afternoon at an entertainment given in honor of Major General John F. Morrison and which all officers of Camp Fremont are invited to attend. The general is a distant relative of Mr. Eyre. The late Judge Morrison, for many years an associate justice of the State of California, was an uncle of P. P. Eyre and E. L. Eyre.

For the accomodation of the thousands of soldiers who leave Camp Fremont every Saturday afternoon for San Francisco, the Southern Pacific Company has put on a special train between the camp and the bay city. Its first run was made last Saturday. The train leaves Menlo Park at 1:15 p. m. and stops no place en route, arriving at San Francisco at 2:02 p. m. Returning it leaves in sufficient time to get the men back for check. The train is eclusively for officers and enlisted men.

George Shelby, one of the drivers of the National Ice Cream Company, is possessed of the proper patriotic spirit. Although working for a small salary he has demonstrated a true American quality. During the week he gathered all the newsboys in town to the postoffice and there purchased thrift stamps for all, telling them they must spend all their spare funds in buying more. He had the lobby of the office filled with the boys for over an hour securing their stamps. The clerks were centainly kept busy. Such a spirit is to be admired more over in one who has but little of this world's goods.

The new map of the Ravenswood tract, which Mr. Weeks has added to Runnymede, is complete and is interesting to the extreme. It would be difficult to find a more beautiful location for a country home than this last addition. Although it has only been on the market about two weeks, Mr. Weeks has sold several tracts, one man from Des Moines, Iowa, having purchased three.

The formal opening of the new Santa Cruz avenue extension will take place on Wednesday evening, May 8th with a street dance and carnival. The Thirteenth Infantry band will furnish the music. Pretty girls costumed in carnival attire will dispense candy and ice cream from tricolored booths placed in an attractive manner along the street. Many novelties will be introduced by the ladies to entertain the visitors. Many hundreds will witness this carnival scene. The proceeds of the carnival and dance will go to the local Red Cross fund.

TWO BROTHERS DIE WITHIN A MONTH

Our community was shocked recently by the news of the death of the two Hopkins boys, who formerly resided in Woodside. They were the son sof Olive and the late Sumner Hopkins, old pioneers of Woodside. Both young men were born and grew to manhood in this place, graduating from the grammar school at an early age. George Hopkins, who was a resident of San Francisco and engaged in business there, passed away on March 26th, and his brother, Frank, died at Fairbanks, in far off Alaska, where he was engaged in business, three weeks after the demise of his brother. They were both married and were most exemplary men. George was aged 58 years and Frank 52. The community at large sympathizes with the families of the deceased and with their mother and remaining sister and brother. Mrs. Hopkins has been a resident of San Francisco for some years. The boys in growing to manhood moved away and by their good lives had reflected credit and honor on the place of their birth, the green hillsides of picturesque Woodside.

WOODSIDE NOTES

A farewell party was given at the home of Mr. and Mrs. A. Nelson in honor of William R. Taylor. Among those present were:

(20 Banking Offices in 17 California Cities)

Abraham Lincoln's immortal words seems to apply with particular force to the Bank of Italy. This bank is "of the people" because the members of the advisory boards and the managers are representative business men in each of the seventeen important communities in which the branches are located. The stock of the institution is held in small parcels by over 1600 shareholders residing in 30 counties of the State.

It is "by the people" because it is chartered by the State and exercises its various functions under the strictest supervision of the properly constituted authorities.

It is "for the people" because with its Statewide organization and superior facilities it is enabled to serve the people well in every matter of banking and in every trust capacity.
